

Hidden, it exists, but here cannot be found. On an endless path, round and round.
I oft' have met its glowing gaze, as it marks the end of days.

This is the drop off point, we're bringing you into the first target. Use the
arrow keys to head over to the right.

Press Z to jump over gaps and obstacles, the longer you press it the higher
you'll go.

You're going to need a little muscle to remove that bad boy. We're calling in
some ordinance for ya.

To cross this gap you've gotta hustle! Hold shift to sprint, you can jump while
sprinting to cover extra ground.
